

Parent Survey of Parent Counsel

We want to hear from you on how your attorney is doing and what you think of the court process. We want to make sure the attorneys are doing the best job in representing you.

Your answers will not be shared with the attorney or with anyone in court. We do not ask for your name on this survey so that no one can tell exactly what you say about the courts, attorneys, or other people you come in contact with through this process.

If you do not understand a question, just answer the best way you can, and then move on.

Please complete the contact information sheet at the end to be entered for a chance to win a \$50 Wal-Mart Gift Cards. This sheet is kept separately from your survey answers. Thirty-six cards will be given away throughout the year. Names stay in the drawing for the whole year, so the earlier a survey is completed, the more chances you have to win! Again, your contact information does not show up on your survey about your attorney and court. It is okay if you do not want to give your contact information.
